

Milling Computerized CNC Machined Parts 100% Inspection Before Shipment

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Certification: 1
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- OEM/ODM: Acceptable
- Surface Treatment: Anodizing, Plating, Painting, Etc.
- Lead Time: 7-15 Days
- Material: Aluminum, Steel, Brass, Etc.
- Packaging: Standard Export Carton Or Customized
- MOQ: 1 Piece
- Quality Control: 100% Inspection Before Shipment
- Size: Customized
- Highlight: **Computerized CNC Machined Parts,
Milling CNC Machined Parts**

Product Description

Product Description:

CNC-machined components are precision machined parts that are custom-made to meet the exact requirements of your application. Our CNC machining services can produce parts using a wide range of materials, including aluminum, steel, brass, and more. We offer a variety of production options, from small prototypes to large-scale production runs. Our CNC machining services also offer high accuracy and repeatability, ensuring consistently high-quality parts. We provide standard export carton or customized packaging to suit your needs, while our minimum order quantity is just one piece. Our CNC machined parts can be used in a variety of industries, such as automotive, aerospace, medical, and more.

Features:

Product Name: CNC Machined Parts

Precision machined parts, Computer-Numerically-Controlled parts, Computerized Numerical Cutting parts

Application: Automotive, Aerospace, Medical, Etc.

Lead Time: 7-15 Days

Delivery Method: DHL, FedEx, UPS, Etc.

Surface Treatment: Anodizing, Plating, Painting, Etc.

Drawing Format: PDF, DWG, IGS, STEP, Etc.

Technical Parameters:

Specification	Detail
Drawing Format	PDF, DWG, IGS, STEP, etc.
OEM/ODM	Acceptable
Application	Automotive, Aerospace, Medical, etc.
Packaging	Standard Export Carton or Customized
Lead Time	7-15 Days
Processing Method	CNC Machining, Turning, Milling, etc.
Surface Treatment	Anodizing, Plating, Painting, etc.
Material	Aluminum, Steel, Brass, etc.
Delivery Method	DHL, FedEx, UPS, etc.
Size	Customized
Keywords	CNC-machined components, Computer-aided machining parts, CNC-manufactured components, Customized machined parts, CNC-cut components

Applications:

Yuanwenyu's CNC Machined Parts, with model number 1X893 and OEM, are originated from Guangdong, China. It requires a minimum order quantity of 50 pieces and each piece costs from \$2.35 to \$12.68. Packaging is done with EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton and the delivery time is 1. Payment terms are 1 and 1000000 pieces can be supplied per month. It is mainly used in Automotive, Aerospace, Medical, etc., with a tolerance of ± 0.01 mm. Drawing formats are PDF, DWG, IGS, STEP, etc. and quality control is done through 100% Inspection Before Shipment. The size is customized to match customer needs.

Yuanwenyu's CNC Machined Parts are highly precise, and they are used in a wide range of industries, such as Automotive, Aerospace, Medical, etc. The high precision and customizability of the parts make them an ideal choice for customers who require the highest quality parts for their projects. The parts are machined to exact specifications with a tolerance of ± 0.01 mm, and the quality is checked through 100% Inspection Before Shipment. The different drawing formats, such as PDF, DWG, IGS, STEP, etc., make it easy for customers to get the parts they need. The delivery time is also fast, with the parts being shipped within 1. The price is also competitive, with each piece costing from \$2.35 to \$12.68.

Yuanwenyu's CNC Machined Parts are the perfect choice for customers who need high quality, custom machined parts with precise

tolerance and fast delivery time. The parts are ideal for a wide range of industries, including Automotive, Aerospace, Medical, etc. The parts come with a minimum order quantity of 50 pieces and are packaged with EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton. The parts are also competitively priced, with each piece costing from \$2.35 to \$12.68. So, if you need precision machined parts, look no further than Yuanwenyu's CNC Machined Parts.

Customization:

Welcome to yuanwenyu for custom CNC Machined Parts! We provide CNC machining service for producing the highest precision parts with Computer-aided manufacturing, Computerized Numerical Cutting and CNC-manufactured components. Our CNC machined parts are made with high-grade aluminum, steel, brass and other materials with customized size.

Product Features:

Brand Name: yuanwenyu

Model Number: 1X893, OEM

Place of Origin: Guangdong, China

Drawing Format: PDF, DWG, IGS, STEP, Etc.

Size: Customized

Lead Time: 7-15 Days

Delivery Method: DHL, FedEx, UPS, Etc.

Support and Services:

We offer technical support and service for CNC Machined Parts. Our services include:

Design, engineering and development support

CNC machining, including milling, turning, and drilling

Surface finishing, including polishing, anodizing, and plating

Assembly and testing

Inspection and quality control

Shipping and logistics

Packing and Shipping:

Packaging and Shipping for CNC Machined Parts:

Each part is packaged in a protective wrap and placed in a sealed box.

Boxes are placed in a sturdy cardboard box.

The cardboard box is secured with bubble wrap and sealed with tape.

The box is shipped via courier or mail.
