

Aerospace Automotive CNC Turning Parts OEM ODM

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- Processing Method: CNC Turning Milling
- Product Size: Customized
- Application: Automotive, Aerospace, Etc.
- MOQ: 1 Piece
- Package: Carton, Wooden Case, Etc.
- Lead Time: 7-15 Days
- OEM/ODM: Accept
- Material: Stainless Steel, Aluminum, Brass, Etc.
- Highlight: **Automotive CNC Turning Parts,
ODM CNC Turning Parts**

Product Description

Product Description:

CNC Turning Milling Parts are custom made products that can be used for a variety of applications. They are manufactured with high accuracy and precision, and can be delivered quickly. The drawings can be provided in various formats such as PDF, IGS, STP, DWG and more. The minimum order quantity is 1 piece. The process of manufacturing is CNC turning and milling. The advantages of the CNC Turning Milling Parts are that it is manufactured with high precision, fast delivery, and many other benefits. It is used in the manufacturing of CNC milling manufactured parts, CNC milling process parts, and CNC turning fabricated parts.

Features:

Product Name: CNC Turning Milling Parts
Application: Automotive, Aerospace, Etc.
Product Size: Customized
Surface Treatment: Polishing, Anodizing, Zinc Plating, Etc.
Processing Method: CNC Turning Milling
Tolerance: $\pm 0.01\text{mm}$
CNC Milling Process Parts
CNC Turning Manufactured Parts
CNC Milling Machining Parts

Technical Parameters:

Parameter	Description
Drawing Format	PDF, IGS, STP, DWG, Etc.
Product Size	Customized
Application	Automotive, Aerospace, Etc.
Shipping	Express, Air, Sea
Advantage	High Precision, Fast Delivery, Etc.
Surface Treatment	Polishing, Anodizing, Zinc Plating, Etc.
Tolerance	$\pm 0.01\text{mm}$
OEM/ODM	Accept
Package	Carton, Wooden Case, Etc.
Processing Method	CNC Turning Milling
Product Type	CNC Milling Manufactured Parts, CNC Milling Process Parts, CNC Milling Fabricated Parts

Applications:

CNC Turning Milling Parts from YWY have been widely used in many industries, such as automotive manufacturing, aerospace, medical device, electronic device, and so on. It has become a reliable partner for many companies in terms of CNC machining. Our CNC Turning Milling Parts are made from high-quality materials like stainless steel, aluminum, brass and other materials. With the precise CNC milling and turning process, CNC Turning Milling Parts can be made with high precision and accuracy. The tolerance can be controlled to $\pm 0.01\text{mm}$. In addition, our CNC Turning Milling Parts can be customized with various shapes and sizes according to customers' requirements. We accept drawing format such as PDF, IGS, STP, DWG and etc. What's more, we promise a fast delivery time of 7-15 days. With the advantages of high precision, fast delivery, and excellent quality, CNC Turning Milling Parts from YWY are sure to bring your projects to the next level.

Customization:

CNC Turning Milling Parts

We offer custom CNC turning milling parts with brand name **ywy**. Our model number is **cnc202**. Our CNC milling parts are manufactured in **Guangdong, Huizhou**. We ship our parts via Express, Air and Sea. Our drawing formats include PDF, IGS, STP, DWG, etc. The lead time is 7-15 days. The MOQ is 1 piece. Our CNC turning milling parts are made of stainless steel, aluminum and brass, etc. Our CNC milling manufacturing parts are manufactured with precision and accuracy in mind. Our CNC milling and machining parts process allows us to produce custom parts with high-quality and fast turnaround time. We specialize in CNC machining parts manufacturing, CNC turning milling parts, CNC milling process parts and CNC machining parts.

Support and Services:

- CNC Turning Milling Parts Technical Support and Service:
- Provide comprehensive technical support for CNC Turning Milling Parts.
- Provide professional maintenance and repair services for CNC Turning Milling Parts.
- Provide technical training services for CNC Turning Milling Parts.
- Provide on-site technical support and guidance for CNC Turning Milling Parts.
- Provide product quality assurance for CNC Turning Milling Parts.
- Provide timely online technical support for CNC Turning Milling Parts.
