

Aluminum CNC Machined Parts Export Carton Packaging Customized

Our Product Introduction

Basic Information

- Place of Origin: guangdonghuizhou
- Brand Name: ywy
- Certification: 1
- Model Number: ywy123
- Minimum Order Quantity: 1 Perch/Perches
- Price: USD 3.88-32.88 1 Perch/Perches
- Packaging Details: Carton packaging and blister box
- Delivery Time: 10-15work days
- Payment Terms: L/C D/A D/P T/T Western Union MoneyGram
- Supply Ability: 1000 Perch/Perches 10-15work days

Product Specification

- Delivery Method: DHL, FedEx, UPS, Etc.
- Lead Time: 7-15 Days
- Size: Customized
- Application: Automotive, Aerospace, Medical, Etc.
- OEM/ODM: Acceptable
- Material: Aluminum, Steel, Brass, Etc.
- Quality Control: 100% Inspection Before Shipment
- Drawing Format: PDF, DWG, IGS, STEP, Etc.
- Highlight: OEM CNC Machined Parts,
Customized CNC Machined Parts,
ODM Aluminum Machined Parts

Product Description

Product Description:

CNC Machined Parts are computer-aided machining parts and numerically-controlled machining parts, which are manufactured through CNC-controlled machining processes. They are precision machined components made from materials such as aluminum, steel, brass, etc. The delivery method for these components is usually DHL, FedEx, UPS, etc., and the lead time is usually 7-15 days. We also provide 100% quality inspection before shipment to ensure the quality of our products. The drawing format for these CNC machined parts can be PDF, DWG, IGS, STEP, etc.

Features:

Product Name: CNC Machined Parts
Size: Customized
Surface Treatment: Anodizing, Plating, Painting, Etc.
Tolerance: $\pm 0.01\text{mm}$
Delivery Method: DHL, FedEx, UPS, Etc.
Drawing Format: PDF, DWG, IGS, STEP, Etc.
Computer-aided machining parts
Precision machined parts
Computer-Numerically-Controlled parts

Technical Parameters:

Property	Description
Quality Control	100% Inspection Before Shipment
OEM/ODM	Acceptable
Material	Aluminum, Steel, Brass, Etc.
Surface Treatment	Anodizing, Plating, Painting, Etc.
Drawing Format	PDF, DWG, IGS, STEP, Etc.
Tolerance	$\pm 0.01\text{mm}$
Lead Time	7-15 Days
Packaging	Standard Export Carton Or Customized
Application	Automotive, Aerospace, Medical, Etc.
Size	Customized

Applications:

Yuanwenyu CNC Machined Parts are numerically-controlled machined parts, computer-aided machined parts and precision machined parts with a brand name of yuanwenyu. The model number of the product is 1X893, with a minimum order quantity of 50 pieces. The price of the product ranges from \$2.35 to \$12.68 per piece with packaging details including EPE foam, anti-rust paper, stretch film and plastic bag with a cardboard box. The delivery time is 1 and payment terms are 1. The product is provided with a supply ability of 1 million pieces per month with 100% inspection before shipment. Surface treatments like anodizing, plating or painting can be done with the product. A minimum order quantity of 1 piece is accepted with a size that can be customized according to the needs of the customer. The product can be used in many applications like automotive, aerospace and medical.

Customization:

Brand Name: yuanwenyu
Model Number: 1X893, OEM
Place of Origin: Guangdong, China
Certification: 1
Minimum Order Quantity: 50 pieces
Price: \$2.35 - \$12.68/pieces
Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton

Delivery Time: 1

Payment Terms: 1

Supply Ability: 1000000 Piece/Pieces per Month

Surface Treatment: Anodizing, Plating, Painting, Etc.

Size: Customized

OEM/ODM: Acceptable

Material: Aluminum, Steel, Brass, Etc.

Tolerance: $\pm 0.01\text{mm}$

Numerically-controlled machining parts: Computerized Numerical Cutting parts, Precision machined parts

Support and Services:

Technical Support and Service for CNC Machined Parts

We provide comprehensive technical support and service for our CNC machined parts. Our team of experienced engineers and machinists will be able to assist you in every step of the process, from design to production.

We can provide detailed advice and guidance on the best materials, processes, and machining methods to use for your specific project.

We also offer technical assistance with any modifications or design changes that need to be made during the fabrication process.

Our goal is to provide you with the highest quality machined parts in a timely and cost-effective manner. If you have any questions or need any assistance, our team is always available to help.
