

Customized Precision Machined Parts With Anodizing Plating Painting For Industrial Applications

Our Product Introduction

for more products please visit us on precision-cncparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: yuanwenyu
- Certification: 1
- Model Number: 1X893, OEM
- Minimum Order Quantity: 50 pieces
- Price: \$2.35 - \$12.68/pieces
- Packaging Details: EPE foam/ Anti-Rust Paper/ Stretch Film/ Plastic bag +Carton
- Delivery Time: 1
- Payment Terms: 1
- Supply Ability: 1000000 Piece/Pieces per Month

Product Specification

- Application: Automotive, Aerospace, Medical, Etc.
- Packaging: Standard Export Carton Or Customized
- Lead Time: 7-15 Days
- Drawing Format: PDF, DWG, IGS, STEP, Etc.
- Tolerance: ± 0.01 mm
- Quality Control: 100% Inspection Before Shipment
- Processing Method: CNC Machining, Turning, Milling, Etc.
- MOQ: 10Piece
- Highlight: **Industrial Precision Machined Parts,
Customized Precision Machined Parts,
Painting Precision Machined Parts**

Product Description

Product Description:

Our precision machined parts are manufactured with the latest CNC machining technology, ensuring that all of our components are produced to the highest level of accuracy and precision possible. We use a variety of processing methods, including CNC machining, turning, and milling, to create parts that meet even the most demanding specifications.

With a tolerance of $\pm 0.01\text{mm}$, our CNC-machined components are perfect for use in a wide range of applications, from aerospace to medical equipment and beyond. And with a MOQ of just 10 pieces, we make it easy for you to get the parts you need, no matter how small your order may be.

At our state-of-the-art manufacturing facility, we use cutting-edge CNC machining technology to produce precision parts that meet the highest standards of quality and accuracy. Our team of experienced engineers and machinists are dedicated to creating parts that are perfect for your specific needs, and we always go the extra mile to ensure that our products are delivered on time and on budget.

When it comes to delivery, we offer a variety of options to suit your needs. Whether you prefer DHL, FedEx, UPS, or another shipping provider, we can help you get your CNC machined parts where they need to go.

So if you're looking for high-quality computerized machining parts that are manufactured with precision, accuracy, and attention to detail, look no further than our CNC machined parts. With a commitment to quality and customer satisfaction, we're the ideal partner for all of your precision machined part needs.

Features:

Product Name: CNC Machined Parts

Tolerance: $\pm 0.01\text{mm}$

Packaging: Standard Export Carton Or Customized

MOQ: 10Piece

Lead Time: 7-15 Days

Surface Treatment: Anodizing, Plating, Painting, Etc.

Used for: CNC-machined components, Computer-aided machining parts, Computerized machining parts

Technical Parameters:

Technical Parameters	Description
Material	Aluminum, Steel, Brass, Etc.
Drawing Format	PDF, DWG, IGS, STEP, Etc.
Size	Customized
Delivery Method	DHL, FedEx, UPS, Etc.
OEM/ODM	Acceptable
Surface Treatment	Anodizing, Plating, Painting, Etc.
Lead Time	7-15 Days
Application	Automotive, Aerospace, Medical, Etc.
Processing Method	CNC Machining, Turning, Milling, Etc.
Tolerance	$\pm 0.01\text{mm}$

Applications:

Our CNC machined parts find application in the automotive industry, where they are used in the production of various engine components, suspension parts, and other critical components. These parts are also used in the aerospace industry, where precision is of utmost importance in the production of aircraft components and parts.

The medical industry is another area where our CNC machined parts are extensively used. These parts are used in the production of surgical tools, implants, and other medical devices that require high precision and accuracy to ensure the safety and well-being of patients.

In addition to these industries, our CNC machined parts can be used in a variety of other applications, such as electronics, industrial automation, and more.

Our CNC machined parts are available in various models, including the 1X893 model and OEM models, and are made in Guangdong, China. They come with certification and can be ordered in minimum quantities of 50 pieces at a price range of \$2.35 to \$12.68 per piece. Our CNC machined parts are packed using high-quality materials such as EPE foam, anti-rust paper, stretch film, and plastic bags, and are delivered within a lead time of 7-15 days. Payment terms are flexible, and we accept OEM and ODM orders. Our CNC machined parts are packaged in standard export cartons or customized packaging as per customer requirements.

In conclusion, our yuanwenyu CNC machined parts are highly versatile and find application in various industries. These computer-aided manufacturing parts are made using advanced CNC machining, turning, milling, and other precision manufacturing processes, ensuring high accuracy and quality. With a supply ability of 1000000 Piece/Pieces per Month, we guarantee timely delivery of our CNC machined

parts to meet the needs of our customers.

Customization:

Support and Services:

Our CNC Machined Parts product comes with comprehensive technical support and services to ensure optimal performance and longevity. Our team of experienced technicians can provide assistance with installation, troubleshooting, and maintenance of our products.

We also offer training programs and resources to ensure that our customers are equipped with the knowledge and skills to operate and maintain our products effectively. In addition, we provide customization services to meet specific requirements and ensure compatibility with existing equipment.

Our commitment to quality and customer satisfaction extends beyond the initial purchase. We offer ongoing support and maintenance services to ensure that our products continue to meet your needs and expectations.

Packing and Shipping:

Product Packaging:

All CNC machined parts will be carefully inspected and cleaned before packaging.

The parts will be placed in protective packaging to prevent damage during shipping.

The packaging will be labeled with product information and handling instructions.

Shipping:

All orders will be shipped within 2 business days of payment confirmation.

We offer standard and expedited shipping options.

Shipping costs will be calculated based on the weight and destination of the order.

Customers will receive a tracking number once the order has shipped.

FAQ:

Q1: What is the brand name of the CNC Machined Parts?

A1: The brand name of the CNC Machined Parts is yuanwenyu.

Q2: What is the minimum order quantity for CNC Machined Parts?

A2: The minimum order quantity for CNC Machined Parts is 50 pieces.

Q3: Where are the CNC Machined Parts manufactured?

A3: The CNC Machined Parts are manufactured in Guangdong, China.

Q4: What is the delivery time for CNC Machined Parts?

A4: The delivery time for CNC Machined Parts is 1 week.

Q5: What is the price range for CNC Machined Parts?

A5: The price range for CNC Machined Parts is \$2.35 - \$12.68 per piece, depending on the model number and quantity ordered.
